Everyday, Luxury, Essentials.

GUELPH • OAKVILLE • TORONTO

Knar Jewellery is passionate about bringing the world's finest jewellery and timepieces to your local community.

For more than 40 years, our clients have taught us so much about life and how emotionally attached we are to memories. Our biggest pleasure – our biggest passion – has been in helping people create moments to remember. Whether it's proposing on one knee, celebrating milestones, surprising a loved one or treating oneself – it's all about living life and remembering the happy times.

We have seen four decades of happy experiences, and knowing that everyone at Knar Jewellery has been a part of our clients' important memories means something really special to us. We are truly thankful and appreciative for being a part of these celebrations.

Every year, with emotional gifts in mind, we travel the globe to discover international designers and goldsmiths who share our vision for creativity and quality. We're delighted to share some of our newest collections from our travels and our own design studio on these pages and online at [knar.com](http://knar.com)

We hope you enjoy these pages for inspiration, and we look forward to seeing you soon.

All the best,

Greg & Jeff Buzbuzian
