

About Oscar Heyman

Since 1912, Oscar Heyman has been creating magnificent jewellery with the finest gemstones sourced from around the world at their atelier in NYC.

The firm was founded by brothers Oscar, Nathan, and Harry after emigrating from Lativa and remains in family hands today – run by members of the second and third generation.

Beyond diamonds, rubies, emeralds and sapphires, Oscar Heyman specializes in esoteric gemstones with equally glamorous appeal, including alexandrite, paraiba, cat's-eye chrysoberyl, opal, aquamarine, star ruby and star sapphire.

Every piece of jewellery is signed and numbered, assuring the artistry Oscar Heyman has delivered for over 111 years.
